About Hilton Head Rugby Club

The Hilton Head Rugby Football Club is a member of the Georgia Rugby Union, a subsidiary of USA Rugby. We play in a national organization that is recognized as the authority in rugby in the United States and produces the US National Rugby Team. Our Club won the 2010 USA Rugby DIII South Championship and with our communities continued support is planning on winning another championship this coming season.

Hilton Head Rugby has been in existence since 1974. Since the beginning our club has produced a first-class athletics organization year in, and year out. We are asking you to join us for a day of fun, golf, and food/drinks to help continue this tradition. All proceeds from this event cover club events, travel, field, team and referee expenses.
